ADDITIONAL INFORMATION

We would like to remind guests that Blackcomb Mountain has now closed for the season, this also includes the bubly Tube Park, the Magic Castle and the Daylodge Guest Services at the base of the Blackcomb Mountain. Fitzsimmons, the Peak 2 Peak and Excalibur lifts have also closed for the season.

The ski-out on Whistler Mountain has closed for the season so that bike park construction can proceed. Downloading is required to Whistler Village. The Creekside ski-out remains open, however downloading is recommended due to marginal conditions. Consider parking at Creekside to avoid end-of-day download lines.

Spring skiing lifts are open at 9am and close at 4pm. First upload for Sightseeing is 10:00am. Guest Services will be moving to 8:30am-4:30pm opening from Monday April 29th (currently 8am-4:30pm). Patrol Emergency: 604-935-5555. Stay up to date by checking the MyEpic app + LED boards for updates. Follow @wbmtrops on Twitter for live updates on delays and closures.

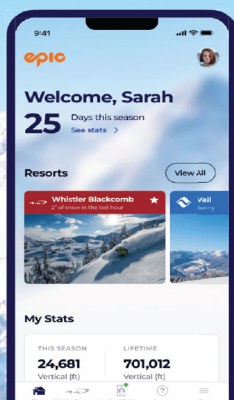

Physical passes are required. Mobile passes within the MyEpic app will not be in operation this season. Get passes printed at Guest Services. Paid parking is available in Day Lots 1-5. Free parking is available in Upper Lots 6 & 7, and in Creekside Parking Garages. There is now no lift or ski-out access to Upper Lots 6 & 7. Lot 8 is now closed for lift construction. Please plan accordingly.
