## ADDITIONAL INFORMATION

Spring skiing and riding on Blackcomb Mountain will continue through May 18. The first upload for skiing and riding is at 10:00am and the last upload from the valley is at 4:00pm. A mandatory download is in effect.

Crystal Ridge Express, Excalibur Gondola, Glacier Express and Excelsior Express have closed for the season. With the closure of Excalibur Gondola, Blackcomb Gondola is the only upload available for skiing and sightseeing. We recommend parking in Day Lots 1-5.

Please note that there is no beginner terrain on Blackcomb. Access to Blackcomb Mountain for skiing and riding will be for intermediate to advanced riders only.

Expect variable and spring-like conditions on the mountain. Please ride with care, watch for exposed rocks and obstacles, and respect all signage. For emergencies, save Ski Patrol at 604-935-5555.

Dual sport activity is taking place on the mountain. Bike riders can upload via Fitzsimmons Express starting at 10:00am, with the final upload at 8:00pm.
